

Dear Pro-Life Friends,

January 2022

On behalf of those we served in 2021, we thank you for your faithful support of our pro-life mission: assisting families in our community with their financial and material needs as well as emotional and educational support. We are grateful for our dedicated staff and volunteers who keep our downtown Sidney Thrift Shop operating; assisting many families with essential needs like diapers, clothing and food. We're grateful also for generous members and area corporations financially supporting our ministry, including our Work-To-Earn program, providing positive work experience for those who participate.

With the hope that the Supreme Court will finally acknowledge abortion as an unconstitutional termination of human life, (with the Dobbs v. Jackson Women's Health Organization case expected to be announced in June), we know that even where abortion is illegal, there is always work to be done supporting families in need—whether the need is dire, or the family just needs a leg up. The importance of continuing our education and outreach programs in support of strong families remains very evident in a world wounded from broken and unstable family situations.

Please stay tuned to our bimonthly newsletters (and email messages if you are subscribed) to learn of specific needs within our community and how you can assist—wherever possible—in stopping abortion and other assaults on families and human life. Some upcoming events include:

- The annual Pro-Life Oratory Contest (for high school juniors and seniors): February 21, 6:30-9pm. Registrations needed.
- The annual RTL Fundraising Garage Sale: March 24-26 at St. Remy Hall in Russia. Donations and helpers welcome.

In support of these and other pro-life efforts, we rely, with gratitude, on your **annual dues payment of \$12.**

Sincerely for Life,

The Board and Staff of Right to Life of Shelby County
