Right to Life of Shelby County is a 501c3 charitable organization. Donations to RTLSC are tax deductible. RTLSC keeps our community focused on the respect due to each human person from conception till natural death, with particular push-back against life-destroying practices—such as abortion, doctor-prescribed-suicide, and infanticide—which torment our nation with *legal* privilege. As a member, you will be informed of local respect-life events and needs via our bimonthly newsletter (paper or digital form) and occasional email blurbs for urgent requests. Membership dues and donations support our programs. *Protection of human life* is a basic and fundamental right due to every human being, regardless of ability, age or status. Learn more on the website and Facebook pages for Shelby County Right to Life (including our Thrift Shop page) or email director@shelbycountyrtp.org.
